## 2024 24 Day PTA Kit

I hope you LOVE your Crisp Cringle elf kit! These are the instructions for the 2024 24 day PTA kit! This kit is intended to start December 1st and end Christmas Eve, although we did include a few extras! The order of the days are a suggestion and meant to help keep the kit organized, but feel free to switch them around as you please!

Before you start, you will need Hershey's kisses and chocolate chips for a couple of the days. You might also grab carrots and extra candy (optional). If you have ANY questions or issues, please feel free to dm me @crispcollectiveig on Instagram or email [info@crispcollective.org](mailto:info@crispcollective.org). Can't wait to "elf" together!

## Extras in the Bag Labeled Days 1-5

In this bag you should find these cards that say Claus Pause. These are not assigned to any specific day. They are just a fun way to leave your child individual notes throughout the month! There should be two per kid.

We wanted to give your elf a little style this year, so all kits come with a pair of green sneakers. Loosen the laces and place your elf's foot inside!

You will also find two blank cards. These are also not assigned to any specific day, but are for you to write anything personal from your elf, while still keeping with the look of the rest of the kit. We added these based on customer feedback last year.

## Day 1

## Arrival Day!

**Supplies:** Falalala Look Who's Here card, mini wooden easel, 5×7 Sleeps 'Til Christmas card, Gingerbread magnet-all found in the Bag marked, "Days 1-5"

## Instructions:

Place the small card on the easel. Place the countdown out for your child to find. We attached a magnet to the back of the countdown, so it can be displayed on your fridge or dishwasher. Your family can move Mrs. Claus's gingerbread each day as we count down the number of sleeps until Santa

arrives!

Day 2:

**Supplies:** The merry and bright card, glasses, and umbrella from the Bag marked “Days 1-5.” Mini solo cup is loose in the box.

**Instructions:** Place glasses on elf’s face. Place umbrella in cup. Set out card. If you have a lamp, place your elf under the light so it looks like he’s working on his tan!

**Instructions:** Place the card on the mini easel. Tie the blindfold around your elf’s eyes. Tie the string to the handle of the pinata and hang it from a cabinet knob or wherever makes sense for your home. Place the straw in your elf’s hands. If you have two elves, one can be holding the pinata string, while the other holds the straw.

# Day 4:

**Supplies:** Pinata, Fiesta then Siesta card- found in the bag labeled, “Days 1-5”, Letter to Santa (1 per child)- these are located at the bottom of your box, as they were too large for the bag.

**Instructions:** Unwrap some of your Hershey’s kisses and save the chocolate for Day 13 . Spread the wrappers around like the pinata has been busted and all the candy has been eaten. Feel free to add additional candy just for fun. Place your elf in a sleeping position. Place the letter to Santa to the side.

Have your child fill out their letter to Santa for the elf to deliver after his nap. For the picture, they can draw a self-portrait or you can add a photo. We used heavy cardstock, so that this can be a sweet keepsake for you!

## Day 5:

**Supplies:** I Mustache you a question card, Strip of mustache stickers- both found in the bag labeled “Days 1-5”
